Attached are two overlays (based on Map of Sofia, 1947, published by the Militia, scale: 20,000 (?)) which pinpoint the location of three public air raid shelters in the Sofia area:

a. Sketch 1 - of the Slatina quarter, has the following legend:

A & B - Public air raid shelters dug into hills;

C - Artillery barracks;

d. - Vasil Levski Military Academy; and

xy - Dry river bed.

b. Sketch 2 - of the Brick Factory (Tukharski Fabriki) kvartal, has the following legend:

1 - Entrance to public air raid shelter dug into hill. (The top of the hill, where there is an antiaircraft gun emplacement, is closed to the public.);

2 - Brick factories, identifiable by four smokestacks 25-35 meters high; and

3 - Brick factories, identifiable by two smokestacks approximately 20 meters high.
